Choice Property Resources Promotes Tia Murphy to Vice President

Tia Murphy
Vice Presidentt

Columbus, OH – Choice Property Resources, Inc., the leading provider of telecommunication consultation services to multifamily owners, announced the promotion of Tia Murphy to Vice President. Tia's promotion marks a strategic internal reorganization to increase client management efficiencies.
In her new position, Tia will oversee both the account management and the contract management departments.

On a daily basis, Tia will review and assess all client projects including the development of proposals and contracts. "Tia's new position will bring additional value to our clients," says Mike Coco, President of Choice Property Resources (Choice). "Her client-based background will strengthen our internal processes and improve our client partnerships."

Tia's successful track record includes managing, improving and growing client relations. She began her career with Choice in 2009 when the company represented 135,000 multifamily units. Tia expertise has helped the company grow to over 235,000 units today. "I love the challenge of matching a client's business goals with undiscovered opportunities. Often, contracts can be strengthened with savvy vendor negotiations. In this new role, I can lead our team to better client solutions."
Prior to working for Choice, Tia worked as a high school business teacher and adjunct professor in a community college.

Tia received her Bachelor's degree in Business Administration and Business Education from Grove City College in Grove City, Pennsylvania. She resides in Pickerington, OH.
