Choice Property Resources Expands Contract Department Team
Meet New Contracts Manager – Kaylyn Mallory

Kaylyn Mallory
Contracts Manager

FOR IMMEDIATE RELEASE

September 11, 2019 – Columbus, OH – Choice Property Resources, a leading advisor to multifamily owners, for ancillary service contracts, announces the addition of a new Contracts Manager, Kaylyn Mallory. In this new role, Kaylyn will be instrumental in negotiating agreements with major telecommunications and commercial laundry room providers.

“I look forward to bringing value to our clients’ contracts by developing strong relationships with our providers,” said Kaylyn Mallory. With a recent focus on laundry operations, Kaylyn is connecting with national and regional vendors to negotiate and manage new and existing contracts. She also works with equipment providers for clients who purchase equipment for their properties’ laundry rooms. “Each property has different goals. I love the challenge of finding the best fit for each property whether it is equipment purchases or leases,” she said.

Kaylyn brings four years of experience from Nationwide Insurance where she worked with commercial accounts.

Mike Coco, president of Choice, said, “As our business grows, we are building our team with talented individuals like Kaylyn. Her analytical skills and conscious approach will greatly benefit our clients and our Contracts Management department.” Choice’s Contracts Management Department is dedicated to keeping abreast of the latest industry trends and smart technologies impacting the multifamily industry.

About Choice Property Resources

Choice Property Resources exclusively represents and advises multifamily property owners, developers and managers in telecommunication vendor contract negotiation to ensure resident satisfaction. Following comprehensive portfolio analysis, Choice negotiates, executes and manages vendor contracts to maximize the value of portfolio assets, generate ancillary income and improve ROI.
